

At the moment, the allotment sites are open according to Government advice. This may change so please check on the latest information.

Please follow all government guidelines on isolation, social distancing and other precautions according to age group and situation.

Please do not attend the site if you are unwell or someone you have been in contact with has become unwell. Please stick to the isolation timescales as set out by the government.

Please maintain social distance (2 metres).

Please use good hygiene around locks, gates and taps etc (hand sanitiser or wipes).

Obviously if you are concerned that there is a risk then please do not attend the site.
